

Belgium e-toll registration
Power of attorney

I hereby authorize and request SHELL Hungary zRt. to register my company [Name],
_____ with registered address at
[address] _____
and company VAT number RO _____ for the Belgium e-toll.

I authorize and request SHELL Hungary zRt. to transmit the data I supplied to SHELL Hungary zRt. to Satellic N.V. (the toll operator) via the service provider AGES RUC GmbH, solely for the matter of registering my company and vehicles for the Belgium e-toll.

In case Viapass, the organization representing the three regions of Belgium for tolling matters, certifies another company as a toll operator, SHELL Hungary zRt. shall notify me upon receipt of the respective confirmation without undue delay. This power of attorney shall also cater for registering my company and vehicles for the Belgium e-toll with Axxès SAS.

I also warrant that the data I supplied to SHELL Hungary zRt, comprising company and vehicle data, are accurate and in line with the requirements described by the toll operator, Satellic N.V.

SHELL Hungary zRt. shall use the data for both registering and future settlement of payments due under the Belgian toll system. Data shall be mutually protected in line with data privacy legislation. In case the data I supplied to SHELL Hungary zRt. are incorrect, SHELL Hungary zRt. submits these incorrect data to the Belgian toll operator and is subsequently charged by the Belgian toll operator according to its general terms and conditions with a penalty because of submitting these incorrect data, I hereby agree that SHELL Hungary zRt. may debit this penalty to my account.

I acknowledge that the general terms and conditions of Satellic N.V. have been made available to me [https://www.satellic.be/en-UK/downloads/extras/ General Terms & Conditions](https://www.satellic.be/en-UK/downloads/extras/General%20Terms%20&%20Conditions) and I hereby commit bindingly to adhering to these if registered with Satellic N.V. for settlement of payments due under the Belgian toll system.
